

## Study Trip to Prague, Czech Republic, April 10-13, 2018 (preliminary program)

**Visitors:** The Central Association of Finnish Socialpsychiatric Organisations, Finland (Suomen sosiaalipsykiatristen yhteisöjen keskusliitto) is a national association registered in 2001. The focal points of the Association's operation are the development of mental health work, lobbying, and international activities. The member organisations of the Association carry out sociopsychiatric work and provide nonprofit sociopsychiatric services.

**Hosts in Prague:** Fokus Praha, The mission of Fokus Praha is to support people experiencing mental health problems in their efforts to manage their lives independently and find opportunities for self-fulfillment within their community. Charles University, 1<sup>st</sup> Medical Faculty, Center for Addictology.

**Organisers:** M.Soc.Sc Liisa Kallio and Adjunct Professor Lauri Kuosmanen from **Evipro Company**, Finland

**Local coordinator:** MSc Anna Vondrova, Czech Republic

**Evipro** Company provides consulting, clinical supervision and tailored training and education for professionals working in the field of mental health care and substance abuse treatment. Our experienced instructors have wide experience in practical work with clients, management and consulting in this field. Our strong theoretical, practical and evidence based know-how is able to respond to different needs of social and health care workers in public sector, private companies, schools and other institutions. We are also experienced in organizing seminars and other professional forums in order to get people to learn and discuss together about actual issues in mental health care and substance abuse subjects. We are responsible organizer of European Conference on Mental Health events, this year in Split, Croatia: [www.ecmh.eu](http://www.ecmh.eu)
